

Support our campaign by sharing

BSGE are sharing the following statements across our social media platforms, please share and give your support to help raise awareness.

"We're pleased to announce the BSGE and RCOG are committing to centralise thoracic endometriosis care"

"Together the BSGE and RCOG have responded to calls for improved thoracic endometriosis care in the UK"

"Our aim at the BSGE and RCOG is to standardise care for people with thoracic endometriosis"

"We are pleased to be taking positive steps towards improved endometriosis care in the UK"

"It has been really rewarding working collaboratively with the RCOG to improve Women's health"

Martin Hirsch
Consultant Gynaecologist
